

In the vibrant heart of Pittsburgh, singer-songwriter Kenny Peagler discovered the transformative power of music, immersing himself in jazz and gospel before honing his skills at the New England Conservatory of Music. From there, his talents took him to stages around the globe, including festivals like Umbria Jazz and the North Sea Jazz Festival. With a new album, "We Are Just Human," Kenny's compositions resonate with universal experiences, blending raw emotion with timeless beauty. For Kenny, music is a soul-stirring journey of self-expression, pushing the boundaries of artistry with each performance—a symphony of possibility waiting to unfold with each beat of his heart.
